

Please check your membership status and make sure your dues are current.

Your membership dues provide the possibility of scholarship/financial assistance for those who cannot afford the costs of attendance at the National Workshop and our Summer Institute Programs, as well as providing security for the underwriting of speakers and other initiatives in development by the Association.

Another great way to support the Association is for members of your Diocesan Commission to join as Associate Members of CADEIO. The forms below may be duplicated as needed for additional memberships.

Mail to:

Fr. Leo Walsh
