

In the spirit of Christian Unity and as we approach Lent, join us for the launch of the newest joint document of the Anglican–Roman Catholic USA Dialogue:

A large, semi-transparent stained glass window graphic serves as the background for the central text. The window features a central motif of two hands shaking in a firm grip, symbolizing reconciliation. The colors are primarily purples, blues, and pinks, with a central yellow and white sunburst behind the hands. The text is overlaid in a bold, purple font.

A Call to Reconciliation
